What are Cookies?

The Aesthetics Mix website uses Cookies, files sent to a browser through a web server to record User activities on a specific website. The first purpose of Cookies is to provide the user with faster access to the selected services. Furthermore, Cookies personalize and make user navigation as easy as possible. Cookies are only associated with an anonymous user and his computer and do not provide references that allow the user's personal data to be deduced

The user can configure their browser to notify and reject the installation of Cookies sent by the Web, without this prejudicing the user's ability to access the contents of said website.

What Cookies do we Use?

The cookies we use on our website are:

Our cookies they are those that are sent to the user's terminal equipment from a computer or domain managed by the publisher itself and from which the service requested by the user is provided.

Session cookies: they expire when the user closes the browser.

Analytical cookies: In order to offer you the best service and in order to facilitate use, the number of pages visited, the number of visits, as well as the activity of visitors and their frequency of use are analyzed. Every time a User visits a service, a tool from an external provider generates an analytical Cookie on the user's computer. This Cookie, which is only generated during the visit, will serve in future visits to the Web Services to identify the visitor anonymously.

Can Modifications to the Cookies Policy Occur?

he Web can modify this Cookies Policy depending on the legislative, regulatory requirements, or in order to adapt said policy to the instructions issued by the Spanish Agency for Data Protection, therefore users are advised to visit it periodically.

When significant changes occur in this Cookies Policy, users will be notified either through the web or via email to registered users.
