For what purpose do we process your personal data?

At Aesthetics Mix we treat the information you provide us with in order to carry out appropriate medical advice and management.

How long will we keep your personal data for?

Your data will be kept for the minimum time necessary for the correct provision of the service offered as well as to meet the responsibilities that may arise from it and from any other legal requirement.

What is the legitimacy for the treatment of your data?

The legal basis for the treatment of your personal data may be the execution of a potential and / or signed contractual relationship, the legitimate interest, the legal authorization and / or the consent of the interested party. The data that we request is adequate, pertinent and strictly necessary and in no case are you obliged to provide it to us, but its non-communication may affect the purpose of the service or the impossibility of providing it.

To which recipients will your data be communicated?

Aestheticsmix will not transfer or communicate your data to any third party, except in the legally established cases, or unless the interested party has expressly authorized us.

What are your rights when you provide us with your data?

You can exercise your rights of access, rectification, deletion and portability of your data, of limitation and opposition to its treatment, as well as not being subject to decisions based solely on the automated treatment of your data, by writing an email to dpo@aestheticsmix.es and indicating in the "Subject" the right they wish to exercise.

Can I withdraw consent?

You have the possibility and the right to withdraw consent for any specific purpose granted at the time, without affecting the legality of the treatment based on the consent prior to its withdrawal.

Where can I complain if I consider that my data is not being processed correctly?

If any interested party considers that their data is not processed correctly by My Medica, they can send their claims to the email dpo@aestheticsmix.es or to the corresponding data protection authority, the AEPD being the one indicated in the national territory, www.aepd.es.

Security of your personal data

In order to safeguard the security of your personal data, we inform you that My Medica has adopted all the necessary technical and organizational measures to guarantee the security of the personal data provided. All this to avoid alteration, loss, and / or unauthorized treatment or access, as required by regulations, although absolute security does not exist.
